Message from the President: Hot start to summer

The season has gotten off to a great start, judging by all the photos and positive comments on social media. Kudos to Don Smith, Jason Griffing and everyone else involved in getting Eran Troy Danner and GottaQ-BBQ Food Truck and Catering last Saturday. Though the food line was long, I understand that it was worth the wait. Bearing in mind that everything was cooked to order, we are considering your suggestions on how to decrease wait time for future food truck events.

By the time you read this, our second musical event will have taken place. I hope many of you were able to start the weekend with the acoustic duo Dis-

connected Friday night at the pavilion. Today, we not only hold our second Town Hall of the season at 10 a.m., but also bring back an old favorite, Halloween in July starting at 7 p.m. I can't wait to see what Linda Abel and Fran Fantozzi have in store for us and know that the evening will be memorable.

Speaking of memories, thank you Terri Nicholas for allowing us to share some of your many memories in today's newsletter. I know that you all have memories of Lake Hayward and urge you to send them to me for publication.

Lastly, when you walk our roads after dark, please carry a flashlight. We don't have many streetlights and we want traffic to be able to see you. Hope to see you all tonight.

Public safety update: Be sure to keep a lid on your trash

Raccoons, skunks, fisher cats, mice, stray dogs, cats – do you want these animals going through your trash, spreading it around, making an unsightly and unhealthy mess for you and your neighbors? Of course you don't. Please be respectful of your neighbors and make trash pickup easier for All-Waste by following a few simple guide-

- lines:
- Store garbage containers under your cottage, inside a shed, inside a specially made container or in your garage until the day of pickup
 - Choose a garbage container with a tight fitting lid
 - Do not put your garbage out until the morning of

pickup or, if you must put it out the night before, be sure that the cover is on securely

- Do not leave trash bags out overnight
- Do not mix garbage with recyclables

Following these simple guidelines will result in less mess for you and a more beautiful view for everyone.

- Costume contest for the adults. Get those costumes ready now.

- Halloween trivia. What do you know about this holiday?

- Candy corn guessing game.

Lake Hayward Memories: So many fond memories of a lifetime spent at the lake

By Terri Nicholas

There simply is nothing like Lake Hayward. I am Linda Abel's and David James' sister. I have so many memories that will last a lifetime ... my dad camping in the fields before the lake was developed. Miss Lake Hayward 1969 - That's me. I still have my streamer and pictures.

Remembering Mr. Zenke and Mrs. Krauss on Ridgewood Dr. The convertibles that we rode in for the Miss Lake Hayward pageant. We should do it again just like the old days. Girls 14 to 19!!! Anyone interested?

Now those were the good old days. The clubhouse, dances for the Teen Club every Saturday night with a band. The lake store that sat in the First Beach parking lot - penny candy, blue popsicles and root beer, of course. The basketball court on the far side of the tennis court. How about Mr. Bailey's

LAKE HAYWARD MEMORIES

square dancing and the bunny hop. And, of course, my sister, brother and I having to be up to the cottage by 9 p.m. We ran like hell up Ridgewood to cut through our property in the pitch dark to the cottage and sometime Dad met us halfway.

One more memory to mention out of the 10 million - our dad fishing at night under the stars. He would get up at 2 in the morning and go down and get in his canoe and be in heaven. Oh yes - how can I forget? Making out on First Beach with your love for the summer when the boats lay on the ground at First Beach and we would hide over there. Linda was quite a riot

"Now those were the good old days"

when we were growing up! She loved hanging out in the parking lots as we all did with the guys and their cars.

But gosh forbid if Dad or Mom saw us sitting in the car! And no sitting on the wall either! We had to sit on the beach.

How about the colorful plastic banners that were strung from the beach across the street during Lake Hayward Days ... Miss Lake Hayward wore her banner and crown from the pageant the evening before and felt like Miss America walking around on First Beach all day. Absolutely the best. Love to all!

Lake Quality Improvement Committee: Discharge drawing runs until Aug. 16

A Permit to Discharge Drawing will be held at POALH's Annual Meeting on Sunday, Aug. 16 with the winner walking away with \$200.

The drawing is open to all East & West side Lake Hayward residents and you need not be present at the Annual Meeting to win.

To enter:

- 1) Bring a copy of your permit to the annual meeting or
- 2) Submit a copy of your permit in advance (ok to leave in mailbox) to: Felicia Tencza at 22 Forest Way.

If you need a copy of your permit, call Chatham Health District: 860-365-0884

* Limit one permit per address. Drawing is sponsored by the Lake Quality Improvement Committee.

Monday garbage pickup continues until Sept. 8

All-Waste Control will collect trash and recyclables twice a week (Monday and Friday) through Sept. 8. The Town of East Haddam has implemented "single stream recycling" so it is no longer necessary to separate the various recyclables into separate containers and/or put them out on separate days. All recyclables can be combined and placed into a single container and put out with your regular trash. We must recycle:

1. Glass and metal food and beverage containers (rinsed); lids go in trash

(No broken glass, mugs, windowpanes, ceramics, light bulbs, mirrors, dishes or tempered glass)

2. Plastic containers Nos. 1 through 7 (rinsed); lids go in trash
3. Newspaper, magazines, cereal/pasta boxes, milk and juice cartons, junk mail (No phone books, wax- or plastic-coated cardboard, soiled newspaper or magazines, books, plastic (Tyvek) envelopes)

4. Cardboard (broken down) (No wax coated boxes, soiled boxes, pizza boxes)

Please place your trash in a covered container if it will be outside at night.

Contact All-Waste Control at 860-873-9005 with any questions.

Properties Committee update: Shovel and buckets are at all three beaches to help with goose poop pickup

By Gary Petersen

I would like to thank Don Smith for taking care of the properties committee for the past two weeks while I was on vacation.

Don took care of emptying the garbage cans on the beaches and cleaned up all of the leaves and other items that were raked up on Third Beach.

As requested, I put a shovel and bucket on all beaches for cleaning of any goose poop that people might find. Please put the goose poop in the bucket and I will dispose of it.

Blues & BBQ event sees large crowd with long lines for food truck

By Don Smith

Reflecting on last Saturday's Blues & BBQ event:

First, a huge thank-you goes out to Deb, Jason, Lee, Larry, Michelle, Ginger, John, Gary and the board for helping me put this event together and make it a success.

Thanks to all the Association Members and their guests who attended. It was a great start to this year's events with several more to come. Look for more information in the Newsletters, Kiosks, and on Facebook.

Second, Eran Troy Danner absolutely rocked the house. He kept the dance

floor full and played well past the agreed 10 p.m. stop time. He loves what he does and he does it very well.

Third, the food truck, GottaQ-BBQ, had a line well into the night serving many items that were not on his original menu. I apologize for the long wait

to get food and we need to address how to speed things up for the next three Food Truck events (July 25, Aug. 8 and Aug. 29). Your thoughts? The RSVP I request really helps size up what the food trucks need to bring. It's im-

portant we give them a headcount so they are not running out of food. GottaQ actually closed his store and brought extra food based on the last minute headcount I gave him, and he still ran out of just about everything.

POALH Food Bucks are available prior to the events. They are \$1 each or you can buy eight for \$5. They can be used to buy food from the other Food Trucks later this summer.

Geese can be majestic, but learn some ways to prevent them from fouling property

Geese are majestic birds but difficult to live with. Come to the POALH event on July 25 from 10 a.m. to noon at the Pavilion to learn one method of controlling where they bask in the sun, eat and poop.

Tall grass and bushes at the edge of the water deter geese from foraging. The geese can't see predators when there is tall vegetation and this discourages them. Riparian garden buffers are more than just attractive gardens.

Come and hear Kathy Connolly discuss this and other topics related to helping us keep a clean lake. This event is for everyone and it is sponsored by POALH with help from the Garden Club.

Social and Recreation: Summer events continue throughout July/Aug.

The calendar located at <http://lakehaywardct.com/html/calendar.html> is your reference to the season's events. Please visit often as updates are made frequently. You will also see calendars included in the electronic and printed weekly newsletters. Other event information can be seen in the kiosks at each beach.

Events not on the calendar

Do you want to sponsor an event that is not yet on the calendar? (Ice Cream Social, Tag Sale, Yoga, Golf Tournament). If you don't see an event from the past on the calendar and would like to bring back and sponsor that event, please contact Don Smith (860-338-1659) or email at donsmith@donsmitty.com.

Lake Quality Improvement Committee: Meeting set on watershed management

What's a Lake & Watershed Management Plan (LWMP)?

Does Lake Hayward need a LWMP?

What does it mean to me?

How can I have input to the LWMP?

All good questions and glad you asked. At the Town Hall Meeting at 10 a.m. on Saturday, July 18, you will get answers to the above questions and much more. The Lake & Watershed Management Plan portion of the meeting will be open to all Lake Hayward residents (east side and west side) since protection of the lake is critically

important and a responsibility of all of us. So come learn about the Lake and Watershed Management Plan for Lake Hayward that is under development by the Lake Quality Improvement Committee (LQIC).

Your participation is encouraged to learn about this important long-range initiative for Lake Hayward, learn about threats facing the lake and to offer your perspectives and ideas on the plan and dealing with these issues and threats. Hearing your comments is critical to development of a well-thought-out plan.

Conducting the meeting will be members

of LQIC alongside limnologist Rick Canavan, Ph.D., of CME Associates. Canavan has worked with LQIC in the preliminary stages of plan development. The plan outline, which can be found on the POALH website (http://www.lakehaywardct.com/docs/lakeplan_2015.pdf), is a product of the work performed to date by Rick and LQIC. You are encouraged to review it in advance of the July 18 Town Hall. Please attend if you can. It is a great opportunity for your voice to be heard as we discuss the future of Lake Hayward.

Goodspeed summer music series continues Mondays

All free concerts are held on Monday nights from 6:30-8:30 p.m. at the green of the Goodspeed Opera House. If it rains, the concerts will be moved to the Hale-Ray High School Auditorium (please call the Recreation Office 860-873-5058, check www.easthaddamrec.com or their Facebook page if weather is questionable).

Great food and drinks will be available to purchase at the Gelston House or bring a picnic dinner.

Free parking is available in the Goodspeed Opera House parking lot, behind the Gelston House with additional parking and a shuttle bus from Eagle Landing in Haddam if needed.

All children under the age of 16 must be accompanied by an adult. No dogs, smoking, vendors or soliciting at the concerts

and no parking on residential streets are allowed.

July 20: Red Molly

Americana powerhouse vocal trio, Red Molly, is known for their soaring crystalline three part harmonies, crisp musicianship, infectious songwriting, and warm, engaging stage presence.

Laurie MacAllister (bass), Abbie Gardner (dobro), and Molly Venter (guitar), weave together the threads of American music; from folk roots to bluegrass styles and adding the contrast of heartwarming ballads and barn-burning honky-tonk.
