Attn: Laurie Dworak, President, President@lakehaywardct.com

Application No.: DS-202402200
Town: East Haddam
Waters: Hayward Brook
Permit type: Dam Safety
Project: Lake Hayward Dam (DEEP ID #4105; Hazard Class BB, Moderate Hazard)

Dear Ms. Dworak:

The Commissioner of the Department of Energy and Environmental Protection has approved your application to conduct certain regulated activities. Your attention is directed to the conditions of the enclosed permit. You should read your permit carefully. Construction and other work must conform to that which is authorized. Please pay particular attention to items 16 and 17 which state conditions specific to the project site.

If you have not already done so, you should contact your local Planning and Zoning Office and the U. S. Army Corps of Engineers to determine local and federal permit requirements on your project, if any. Please mail your requests the Corps' New England District, Regulatory Branch, 696 Virginia Road, Concord, MA 01742-2751; <http://www.nae.usace.army.mil/> or call 1-800-343-4789.

Please do not file the permit on the municipality's Land Records.

If you have any questions concerning your permit, please contact me at (860) 424-3481 or Kyle.Zukauskas@ct.gov.
